**Vineyards** located in the municipal area of Cabra del Camp, Finca el Bosc is a century-old vineyard planted in goblet at 520m. with a coastal Mediterranean climate, the 2020 vintage was dry with very low annual precipitation, around 500mm. The soils are clay-limestone, and the vineyard is managed with an ecological viticulture approach involving minimal intervention. Harvest took place on September 12, 2020.

**In the winery**, all the grapes were destemmed, and the must fermented in stainless steel tanks with native yeasts. After fermentation, the wine remained for 16 months in stainless steel tanks with its fine lees and a part in old barrels. Before bottling, it was gently filtered.

**Bottling date:** February 3, 2022

**Start of vintage commercialization:** April 2022
